President's Message

Greetings my friends! This March NCRGEA will be fifty years old! So today you and I stand on the shoulders of about a dozen of our fellow retirees who in March 1970 dared to start NCRGEA. Fifty years ago, that handful of visionaries recognized we needed an organization to represent the best interests of state and local government retirees. Today we are 66,585 members standing together to protect and improve our welfare—all from the work of just a few fellow retirees years ago. We are one of the largest governmental retiree organizations in America. Over the next few newsletters and on our website, you will learn more about the highlights of their efforts over the last fifty years. I think you will be amazed at what things they fought for that we just take for granted today. Now here is a good question—what legacy will we leave to those retirees who follow us?

Your Board of Directors and staff are actually struggling with that very question right now – what legacy will we leave? We are now developing a strategic plan that will give us a three-year work plan along with a ten-year vision of where we ought to go with your help. Thousands of you have already responded to our surveys both online and in the newsletter. Thank you for helping already and please respond if we ask you for more guidance. We will keep you informed as our Steering Committee and our subcommittees make progress on our strategic plan with final approval in June. I guarantee you will see even better service and benefits as a result.

In this newsletter our staff has provided you with contact information for your legislators. Please keep this info for use in the future. One part of our legacy ought to be to study every candidate so we can vote in the best interest of state and local retirees. If we don't do that, who will? There are 300,000 governmental retirees in our state; that is a large powerful block of voters if we stick together. By the way, could you help us and yourself by recruiting your retiree friends to join us? They will listen to you!

Job One for each of us remains staying alive during this Spring as the new COVID variants spread across our State. These new variants are much more contagious than before! As I write this letter, a leading epidemiologist announced that we would see a Cat. 5 Hurricane of COVID variants during the

Spring. So, what do we do? Get our vaccine as soon as we can and wear our masks anytime we are out of our house until it is safe (yes, even after we get our shots). Your Association is very concerned about your welfare so you can find information about protecting yourself from COVID on our website. On a personal basis I would like to ask this question: “for the next few months, is that sausage biscuit with your buddies at the local restaurant really worth risking your life?” I ask that even though my wife and I talk daily about how much fun it will be to eat out again. We will get there as more and more vaccinations are administered over the next few months. So, let’s outsmart this virus.

And now a point of personal privilege! **Are you being harassed by spam and scam calls and emails and other fraud schemes?** We certainly are at our house every day multiple times and I am mad as fire!! These people are trying to steal our money and our privacy! If you are facing the same thing, please send me an email describing your concerns and experiences. We need to know if this is an item we should emphasize in our legislative, education and advocacy efforts. **Please email me at president@ncrgea.com.** I will read your email and share your concerns with others. If you want to talk about it, include your phone number and I will call you. You will find an ad in this newsletter encouraging you to register for a Zoom meeting about fraud. Please sign up to learn how to defend yourself.

In your service,
Vann Langston, NCRGEA President

CORRECTION:

Our January-February 2021 issue stated the COVID-19 positivity rate for the state was 11.3% inferring that on average one out of every ten people would have COVID. The 11.3% is actually for those tested for the COVID 19 virus by that time – not the general population.

Humana New Member Orientation Online Events

North Carolina State Health Plan Humana plan members, please join Humana for a New Member Orientation webinar event! These online meetings will be held in March and they will help you learn more about your Humana Medicare Advantage PPO plan.

**“The Multi-Billion-Dollar
Elder Fraud Industry
Has Its Eyes on You”**

Be a Scam Stopper!

David Kirkman, a retired Special Deputy Attorney General for the State of NC, spent three decades in the Consumer Protection Division prosecuting frauds and scams of all types. Hear about the fairly new, multi-national elder fraud industry, the 12 vulnerabilities it seeks in seniors and the techniques employed to scam older Americans out of billions each year. Learn how certain scams (e.g., Sweepstakes, Sweetheart, Grandparent, Tech Support, IRS Agent) originate from other countries while others (Home Repair, Driveway Paving) are committed by people living here in North Carolina. Learn how to protect yourself and others from these highly skilled criminals. Kirkman is the author of “Elder Fraud Wars,” which describes many of the cases he handled during his career.

2021 General Assembly Overview

While the November election brought sweeping changes to the nation as a whole, it had little impact here in North Carolina.

The State had a divided government before the election and true to its form as one of the nation's most "purple" states, North Carolina voters returned another divided government for the 2021-22 General Assembly session. In the House of Representatives, Republicans gained four seats increasing their advantage in the chamber to 69-51. In the Senate, Democrats gained a seat reducing the Republican edge to 28-22. The Council of State was no different. Democratic Governor Roy Cooper earned a second term but is once again cohabiting with a Republican Lieutenant Governor as Mark Robinson became the first African-American to win that office. Incumbent Lieutenant Governor Dan Forest had reached his term limit and unsuccessfully challenged Roy Cooper for Governor. Lieutenant Governor Robinson isn't the only "first" in North Carolina politics this year.

In the Senate, Kathy Harrington (R-Gaston) became the first female Majority Leader. Senator Harrington was one of only two changes among the Senate leadership, with Jim Perry (R-Lenoir) taking over as Majority Whip. President Pro Tempore Phil Berger, Deputy President Pro Tempore Ralph Hise, Joint Majority Caucus Leader Norman Sanderson, Minority Leader Dan Blue, Minority Whip Jay Chaudhuri, and Minority Caucus Secretary Ben Clark all maintained their positions.

In the House, all but two officers have returned to their positions. Speaker Tim Moore returns for a fourth term as Speaker of the House, along with Speaker Pro Tempore Sarah Stevens, Majority Leader John Bell IV, Deputy Majority Leader Brenden Jones, and Majority Whip Jon Hardister on the Republican side. The Democrats initially returned every member of their leadership but on January 6 Governor Cooper appointed Majority Leader Darren Jackson to the state Court of Appeals. Deputy Minority Leader Robert Reives II stepped up to take Representative Jackson's place and four-term Rep. Gale Adcock (D-Wake) took Rep. Reives' former position. Minority Whips Cynthia Ball, Garland Pierce, Deb Butler, Carla Cunningham and Amos Quick were all retained for another term.

In this issue we have listed all NC Senators and Representative by county.

If you are interested in advocating for retirees please go to our website and view our advocacy video and materials provided to aid in the advancement of our 2021 legislative priorities.

2021 NCRGEA Legislative Priorities

Protect retiree pension values -The association will continue to support efforts to stop the devaluation of local and state pension values by advocating for COLAs, tax credits and the expansion of the Bailey Act to cover all retirees.

Maintain and strengthen the defined benefit plan for current and future state and local retirees – Defending and enhancing local and state pension plans is crucial for the long-term success and viability of this benefit.

Provide the annual required contributions for the pension systems and the State Health Plan - The pension plans must continue to be appropriately funded annually to provide current and future retirees their earned benefit. Properly funding the State Health Plan is essential to provide state retirees a quality health benefit.

Improve access to health care for retirees in rural and urban North Carolina - Innovative approaches to retiree health care must be achieved to maintain the health and well-being of retirees.

Invest in retirees' quality of life through broadband expansion in underserved areas of North Carolina. - Everyone is in agreement that the state should strive for full, modern connectivity; now is the time to find a solution to the gaps in broadband.

Districts Connections

Deryl Davis Fulmer, PhD | Community Liaison

My fellow retirees, we are now well into 2021. It looks like we are making progress with COVID vaccines as well as other challenges we have faced as a state and as a nation. While we must still practice diligence to eradicate this virus, we can all help to move forward faster by doing our part. I am certainly looking forward to that and being able to schedule in-person meetings and gatherings later this year! In the meantime, we remain committed to your safety!

Get to Know our NCRGEA Trivia: Thank you to our 210 members who participated in Trivia since November. Keep entering and learning about NCRGEA! Go to our website at www.ncrgea.com to play. The first 50 members to submit correct answers will receive a small prize. At the end of each quarter, we will draw for a \$100 gift card. Each quarterly winner will be featured in a newsletter to showcase our membership. Here are the answers for January and February Trivia:

January Trivia: Name 3 current NCRGEA Board of Directors and the district each represents. For the answers, please refer to the first page of this newsletter. Name the NCRGEA Executive Director: Richard Rogers.

February Trivia: When was the first issue of Living Power published? How often is it published? The Association began publishing bi-monthly newsletters in 1984.

Community Group Meetings: Plans for developing District Community Groups in Districts 1, 2, 5, 6, 7 and 9 are underway. You will receive more information later this spring. Planning and activities are virtual until we are safe to meet in-person. Districts 3, 4 and 8 held second virtual meetings in December and January. These groups have made great suggestions about how to better engage and serve your communities. If you are interested in participating in your District's Community Group, please let me know so I can place you on the email list. Send an email to Deryl@ncrgea.com.

Retiree Buddy: It is important to continue to take care of one another and to minimize isolation as we continue to battle COVID-19 and the restrictions

that accompany this virus. Being a Retiree Buddy is one way to consciously connect with fellow retirees, so connect with one another.

Fitness Tip: Moving for Better Health: While I'm no expert, I use a Fitbit watch to track my movement every day (I try to walk at least 250 steps an hour 9 hours each day). It adds up to over 2,000 steps, which equals one mile. Give it a try! The goal is to keep moving for greater health! If you have a fitness tip, please send it to me. I may publish it in our newsletter! Healthier in 2021!

Your Retiree Buddy,
Deryl

Attention Member Spouses: Be an Associate Member!

The spouse of any dues-paid active member can join NCRGEA as an "Associate Member" for only \$40 a year. Associate Members can access all full member benefits of our Association and also be covered by our \$10,000 Accidental Death & Dismemberment benefit. You can download an Associate Membership application from our website www.ncrgea.com or call our office to have one mailed 1-800-356-1190.

Protecting Seniors

North Carolina law protects disabled adults of any age from abuse, neglect and exploitation. The law states that "any person having reasonable cause to believe that a disabled adult is in need of protective services shall report such information." Definitions are:

Abuse: Willful infliction of physical pain, injury or mental anguish, unreasonable confinement, or the willful deprivation by a caretaker of services necessary to maintain mental and physical health.

Neglect: A disabled adult who is either living alone and not able to provide the services necessary to maintain mental or physical health (self-neglect), or who is not receiving services from his caretaker.

Exploitation: Illegal or improper use of a disabled adult or his resources for another's profit or advantage (NOTE: State law now offers extra protections to combat financial exploitation of disabled adults and adults 65 and older. Under the law, customers of financial institutions can submit a list of persons to be

contacted if the institution suspects that the customer is a victim or target of financial exploitation. The institution is also required to report the suspected exploitation to local law enforcement. If the suspected victim is a disabled adult, the financial institution is required to report to the contact list, local law enforcement, and your county Department of Social Services.)

CONGRATULATIONS to Joyce Poplin - our First \$100 Trivia Winner!

Joyce Poplin, of Nebo, retired from McDowell County Schools in 2017 where she taught and was a principal. Joyce has a daughter who is a community college instructor, and she and her husband have two children. "It's true," she said, "what people say about grandchildren-they brighten every day." To Joyce, "NCRGEA is a great organization" and our newsletters are informative. "I like to keep up with current legislative actions and as a retired employee, I need to know someone is lobbying for the benefit of retired government employees." The best thing about retirement is being able to help with her grand-

children whether she is needed or not. Her advice during COVID-19 is to follow the CDC guidelines and stay safe. While there is a lot of time at home, she suggests to read or listen to books, complete little projects and enjoy yourself. She excitedly stated, "it has been a wonderful surprise to win the gift card! I recommend everyone read NCRGEA's newsletter, visit the website and participate in the Trivia."

Check out NCRGEA's You Tube Channel. You can also view our videos through our website www.ncrgea.com or you can go to www.YouTube.com and search NCRGEA. To make comments during future live webinars, you will need to subscribe on the YouTube site. (It's free!)

New Year New You: Simple Strategies to Make New Year's Resolutions Stick

"It really doesn't matter what exercise you use. The trick is to stick with it. You can find me at the gym regardless of the month, January through December," says Robert, a longtime SilverSneakers member.

Health-related resolutions top many lists every year, but only a small percentage follow through like Robert. Simple strategies and a strong support network can help you stay motivated and committed to your fitness resolutions all year.

- Set smart goals and create a roadmap
- Keep your goals simple, specific and measurable. "SMART" goals include an endpoint and a roadmap to help you get there. Get more tips on how to make your 2021 resolutions last all year.
- Make it fun
- Find activities you enjoy and invite friends to join you, so exercise sounds like something you want to do, not something you have to do.

Check these simple strategies to stay motivated. Find your place with SilverSneakers – online and in person

Visit SilverSneakers.com or call 1-888-423-4632 (TTY: 711), Monday – Friday, 8 a.m. to 8 p.m. ET

If you have questions about your State Health Plan Humana Medicare Advantage PPO Plan, please call the dedicated North Carolina State Health Plan Humana Group Medicare Customer Care team at 1-888-700-2263 (TTY: 711)

Monday – Friday, 8 a.m. – 9 p.m., Eastern time.

Beware: Medicare Phone Scams

North Carolina Insurance Commissioner Mike Causey warns Medicare recipients to be on alert for scams. In the last few days, NCDI has had reports of phone calls with the Caller ID listed as “Senior Center” but the number is unavailable. The callers are saying they are conducting a Medicare survey and are asking for personal information or asking if those they have called if they have received their new 2020 Medicare card.

“If someone is calling, claiming to be from Medicare and asking for your Social Security number or bank information, hang up, it’s a scam,” said Commissioner Causey. “First, Medicare won’t call you. Second, Medicare will never ask for your Social Security number or bank information,” he added.

If someone is threatening to cancel your benefits if you don’t give up information or money, report it to the Department’s Seniors’ Health Insurance Information Program or SHIP or the N.C. Senior Medicare Patrol at 1-855-408-1212.

SHIP counselors are not licensed insurance agents, and they do not sell, endorse, or oppose any product, plan, or company. If you have questions about your specific plan, we encourage you to contact your insurance agent or the insurance company.
