

# Summer into Fall: Discounts for NCRGEA Members

## GUIDE TO YOUR NCRGEA MEMBER BENEFITS

### Dental & Vision Plans

Flexibility and Freedom are the words best described when it comes to your Dental and Vision plans. Easy-to-use, broad coverage and discounts with a wide range of providers.

### Long-Term Care

A Long-Term Care insurance policy can ease the financial burden on your loved ones helping to protect your life savings and reduce the stress on your spouse and children.

### Cancer, Heart, Stroke, Accident, and Disability Insurance

Benefits paid directly to you. You select the benefit level that best suits your needs.

### Whole Life

With no premium increases, or reduced coverage due to age or health once issued, this policy can help protect your family from the high cost of final expenses.

### Hospital Indemnity

A supplemental hospital indemnity insurance policy could be a smart financial decision for other hospital expenses including extended hospital stays, emergency room visits, ambulance transportation and more.

### Short-Term Care/Home Health Care

A Home Care policy can allow you to choose where you recover and offset the costs of care not covered by traditional health care. The choice of your home, assisted living facility, or the nursing home should be yours.

### Medicare Solutions

Medicare Supplement plans not only help pay for additional eligible expenses not paid by Original Medicare, they provide the freedom for you to use your own physician, specialist, and medical facility. Not connected with or endorsed by the U.S. Government or the Federal Medicare Program.

### Emergency Air and Ground Transportation

Medical Air Services Association (MASA) provides plans for lifesaving emergency transportation services. Services are paid in full, with no deductibles, co-pays, or dollar limits.

### Tax-Deferred Asset Protection

Tax-deferred accumulation of interest for qualified or non-qualified funds with the ability to participate in market gains. No underwriting required.

# The Advantages of Having Member Benefits from NCRGEA & AMBA:

- Fill gaps **not covered** by your state/city/county benefits
- **Portable** if you leave the state for any reason
- Can **extend benefits to your parents** and family members who are not eligible for your benefits
- Can **prevent you or a loved one from having to take extended time off** for your or a loved ones care
